QUALITY

AT B&B ELECTRO-MECHANICAL "QUALITY" ISN'T JUST A WORD IT'S OUR BUSINESS!!!

Quality at B&B electro-mechanical is of utmost importance. When we are inspecting our customers parts on either our laser keyence measuring machine or our optical comparitor, we take the time to make sure that it meets or exceeds the drawing specifications.

As an AS9120/ISO9001 facility we take pride in making sure that every aspect of inspection is documented and that we have 100% traceability. We assign a lot and license number and their scan in to our system. All material, heat-treat and finishing certifications along with the part drawing. Through our vendor management inventory system with this unique lot and license plate number it allows us to know when, where and how we manufactured the parts we sell.

SERVICES

AT B&B ELECTRO-MECHANICAL

Our vendor management inventory is what makes "service" our business

Service of our customers is the key to making our business work to the next level. With our V.M.I. System we can take on the 2 and 3 year blank contracts and insure 100% traceability on every item we ship out. By using our state of the art barcoding and scanning system we can always locate your inventory from our warehouse floor to our bar-coded bin locations. Whether you're buying 5pcs or 500,000 we treat every order the same.

B&B Electro-Mechanical believes that our name is on the outside of every box we ship because we take pride in the parts we put inside!! Our VMI makes our inventory yours without tying up your floor space.

MILITARY

MILITARY HARDWARE

No one prioritizes quality, traceable parts more than military manufacturers. At B&B Electro-Mechanical, we have been supplying top-flight parts to military manufacturers since 1990. B&B Electro-Mechanical offers a full complement of military hardware, including:

- AN Hardware
- NAS Hardware
- MS Hardware
- NSN Hardware

TRACEABILITY

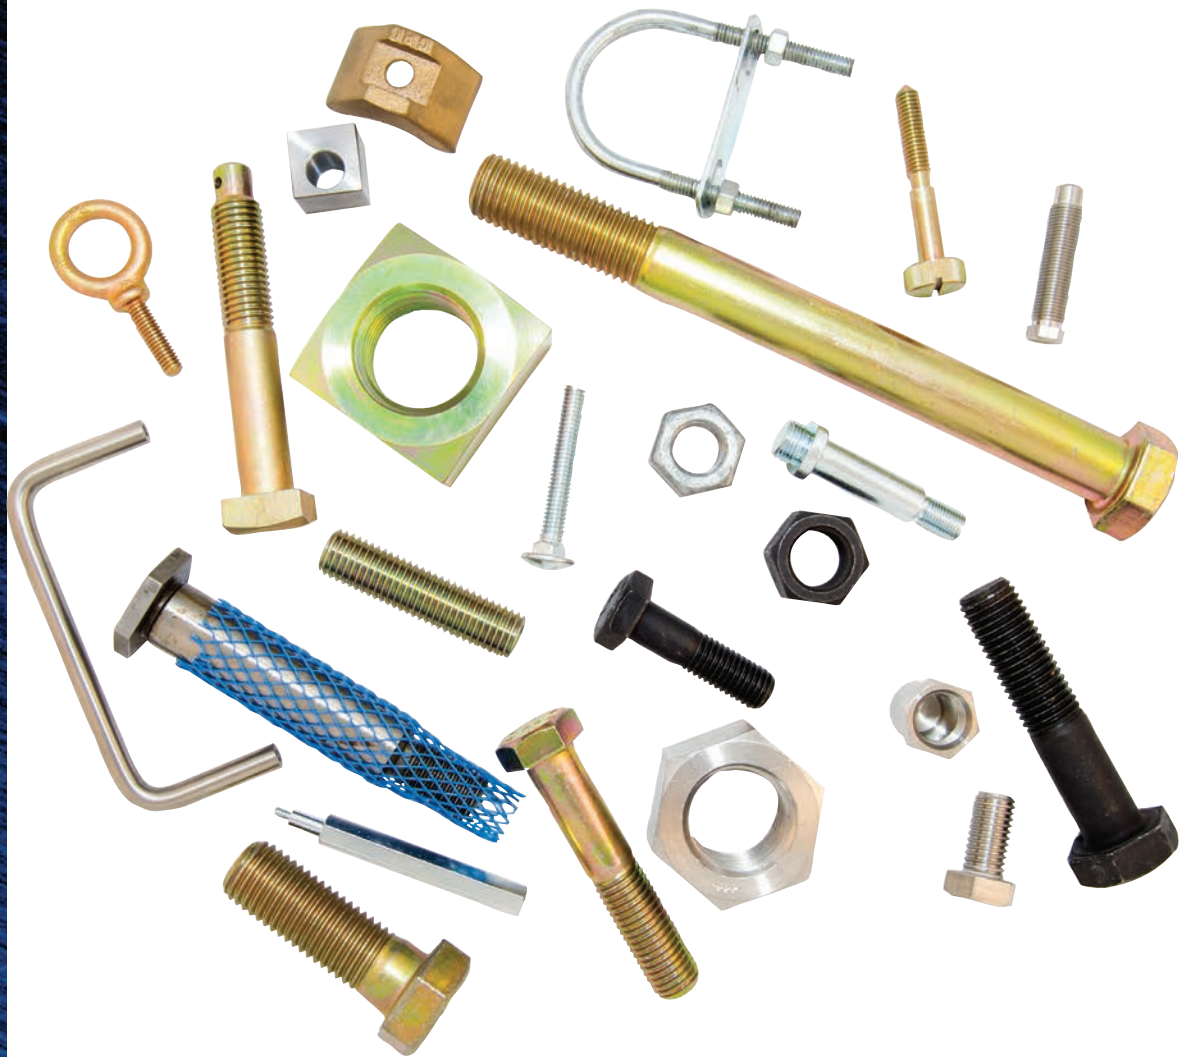

B&B Electro-Mechanical ensures traceability by meticulously bar-coding each and every item that we stock. This approach allows us to guarantee that our parts are 100% traceable.

SERVICE GUARANTEE

At B&B Electro-Mechanical, we're committed to on-time shipping and fast turnaround times. We understand the importance of timeliness, and guarantee that our customers never have to wait to receive their parts.

CUSTOM

CUSTOM HARDWARE

When you need a part that you can't find anywhere else, turn to B&B Electro-Mechanical. We can take your design and turn it into a part that meets your needs exactly. Whether you need a custom keep nut, carriage bolt, taptite screw or any other type of part, B&B Electro-Mechanical can manufacture it. Our engineers can help you with every stage of product development, including:

Design and Engineering
Prototype Manufacturing

TRACEABILITY

What is the most significant advantage that B&B Electro-Mechanical offers that the competition doesn't? We can sum it up in one word: traceability. We meticulously bar code every shipment we receive, which guarantees that every item we sell is 100% traceable.

SERVICE GUARANTEE

The quality of the parts we sell is a staggering 99.9%, and our service is just as good; our shipments arrive on time, and within very quick turnaround times.

ELECTRONIC HARDWARE

An electronic assembly, whether it's an iPhone or a toaster, is merely a sum of its parts. That's why quality parts are a top priority for manufacturers of electronic devices. No one understands this better than B&B Electro-Mechanical. The quality level of our parts is 99.9%; for long-lasting electronic hardware, you can count on us.

B&B ELECTRO-MECHANICAL ELECTRONIC HARDWARE CATALOG

We offer just about any type of electronic hardware. Our catalog includes:

- American Standard Electric Hardware
- Metric Electronic Hardware
- Handles & Ferrules

TRACEABILITY

B&B Electro-Mechanical offers a distinct advantage that the competition can't match: traceability. Thanks to our meticulous tracking on all of our products, every item we sell is 100% traceable.

SERVICE GUARANTEE

At B&B Electro-Mechanical, we guarantee on-time delivery and quick turnaround times. If you need a part and don't have time to wait for it, B&B Electro-Mechanical should be your top choice for quality parts.
